Adelaide Cini
CONFERENCE FACILITY

Hospice Malta, St. Michael Hospice
Triq Adelaide Cini, Santa Venera, SVR 1180 – Malta

The Venue

Host Your Event at the Adelaide Cini Conference Centre

Located on the first floor of our state-of-the-art complex, the Adelaide Cini Conference Centre at Hospice Malta offers a modern and versatile venue, ideal for a wide range of professional events.

While situated within the Hospice premises, the Adelaide Cini Conference Center operates as a standalone facility with dedicated access, completely separate from patient areas, offering both privacy and convenience for all guests. The venue is also fully accessible for individuals using wheelchairs and other mobility aids.

Comprehensive Event Solutions

Our venue comes fully equipped with a projector and screens, and we can provide roving and gooseneck microphones upon request. If any additional setup is needed, such as a podium, risers, or other equipment, we are happy to arrange these through our rental partners. We also work closely with trusted hospitality and catering providers to ensure a smooth and well-coordinated event experience from start to finish.

Make an Impact While You Host

By choosing the Adelaide Cini Conference Centre for your conference, business meeting, seminar, or workshop, you are not only securing a state-of-the-art venue but also supporting Hospice Malta's mission and helping our patients and their families.

Conference Hall

A Fully Equipped, Flexible Space

Our venue is designed to provide a seamless event experience, featuring cutting-edge audio-visual technology, high-speed WiFi, and a capacity of up to 140 delegates. For added flexibility, the space can be effortlessly transformed into three smaller meeting or breakout rooms to suit your requirements.

Classrooms

Versatile Meeting Spaces for Productive Sessions

Our two fully equipped classrooms accommodate up to 20 participants, offering flexible seating arrangements to suit your needs. These modern spaces are ideal for workshops, training sessions, and smaller meetings, providing a dynamic environment that enhances both individual focus and group collaboration.
